These documents indicate the addition of Rainer Kramer and Bodo Mickan as inventors on the underlying international application. It is believed that these documents address the issues raised in the Notification of Defective Response.

Please note the Attorney Docket No. for this application has been changed to 231944.

No fee is believed to be due in connection with this communication. If any additional fees are owed in connection with this communication, please charge Deposit Account No. 12-1216. (A duplicate copy of this communication is enclosed for that purpose.)
